Product prices are rounded appropriately to the nearest 10 cents.

For individual products, with the consent of the responsible person, a commission of less than 25% may be set, but not lower than 5%.

For larger orders and larger quantities of identical products, a quantity discount may be agreed in advance with the responsible person, provided that costs are covered and a profit of at least 5% is ensured.

For sales brokerage, the service fee is charged in accordance with the agreement between the provider and the intermediary.

The Council of the Institute approved the price list at its 9th regular meeting on 16 September 2026.

This price list is effective from 1 October 2026.
