

Idrija.

Welcome to the Camperstop Inzaghi Idrija!

*In accordance with the Decision on the designation of public parking areas in the Municipality of Idrija where a parking fee is payable (Official Gazette of the Republic of Slovenia, No 105/2021), parking at the Camperstop Inzaghi Idrija is **PAYABLE**.*

The EasyPark parking payment system (<https://easypark.si/en>) allows payment through the **EasyPark mobile app**.

- **EasyPark mobile app:** You have to download the app to your phone and register. Once you park your vehicle, the phone will automatically locate the area where you have parked. You can also manually locate your parking by typing the **parking area code** in the app (in our case, it is **1102**) or the name of the parking ("**PZA Camperstop Inzaghi Idrija**"). Set the time you wish to park there and click on "START parking". 10 minutes before your parking expires, the app will send you a reminder and you will be able to remotely renew parking. When you wish to end parking, you must do so by clicking on "STOP parking". The app will effectuate payment at the end of your parking time. No pre-payment is needed. The app will require you to provide your credit card details (Mastercard, Visa, Diners, Amex) or PayPal only once. When your parking ends, you will receive an e-mail with the invoice, which you can also download from <https://easypark.si/en>. The application charges a 15% fee.
