	i found it difficult to understand how to reach some sights (mostly hiking paths, gorges, waterfalls, etc.) only from searching on the internet. when we asked in the tics they were able to provide us important information in this regard, but i would have liked to have more information online: e.g. where to park my car to visit slap beri by foot (the exact address), or where exactly to start ...	1	0%	4%	4%

	idrija je čudovito mesto. škoda da ni bolj živahno. trgovine so se preselile ven iz centra starega dela in tam je sedaj prazno. manjka ponudbe, ljudi (domačinov in turistov). idrija ima veliko lepega in me zmeraj čudi zakaj ni več turistov. no, mogoče je pa prav tako, saj če se pogledat center stare ljubljane, ni tam nič več kaj prijetno za domačine.	1	0%	4%	89%
